**--PUBLIC NOTICE--**

**October 28, 2004**

On Friday, November 5, 2004 from 10:30 A.M. to Noon, the Indiana Utility Regulatory Commission will host a public meeting.

Representatives from American Electric Power will give a technical presentation to the Commission entitled "IGCC: Pathway for a Future for Coal." The meeting will be held in the Indiana Government Conference Center Room B.

Should any person have questions or special needs concerning this meeting or any other matters with the Commission, he or she should contact Mary Beth Fisher in the Public Information Division, at (317) 232-2297.

**NANCY E. MANLEY, EXECUTIVE SECRETARY TO THE  
INDIANA UTILITY REGULATORY COMMISSION**
